

Current Needs at Zion—

AV Team Member—Responsible for running the sound board and the computerized video segments for Sunday morning worship as well as special church events. Experience in these areas is helpful, but you can also be trained for this exciting role.

Middle School Sunday School Teacher—Youth Sunday school classes will start having a Middle School aged class starting the summer of 2025. These lessons will be very easy to teach with minimal prep work. If you are interested in this role, you would be able to first shadow Marci for the entire summer of 2025 for optimal training.
